Terms & Conditions

1. Overview & Voucher Values

Give the Gift of Movement this Christmas. MTM gift vouchers are available at 10% off their voucher value, for yourself or someone you love. The voucher value is the amount available to redeem towards an eligible purchase; the purchase price is the amount you pay for the voucher.

$50 voucher	$300 voucher	$500 voucher
Pay $45	Pay $270	Pay $450

Promo Ends: 20 December

2 Validity

Vouchers are valid for **6 months** from the date of purchase and must be redeemed within that period. Sending the voucher code to the recipient does not restart the validity period. Vouchers cannot be extended.

Voucher validity and package validity are separate. Once the voucher is redeemed, the package's own validity period applies.

3 Voucher Usage

Vouchers can only be used for:

- Any regular Private or Credit Package purchase
- Private Intro Trial

Starter Packs, Class Packs and all other promotional packages are excluded.

Only **one voucher** may be used per purchase and per person/account
Multiple vouchers cannot be combined in a single transaction.

Vouchers cannot be extended or exchanged for cash. All voucher sales are final.

4 Payment Difference

If the purchase amount exceeds the voucher value, the remaining amount must be paid separately to complete the purchase.

For example, if you use a $500 voucher towards an eligible purchase costing $600, the remaining payment is $100.

5. Unused Voucher Value

If the purchase amount is less than the voucher value, the unused amount will not be refunded in cash or credited to your MTM wallet.
